

American Association of University Women, Nevada County Branch
PO Box 326, Grass Valley, CA 95945
March 2021

Dear Applicant,

Nevada County Branch AAUW is now accepting grant applications for educational projects. We will consider individuals and organizations in Western Nevada County and projects primarily geared to girls and women.

We have received a generous gift from former AAUW member Cleo Gibson to be used for education. Cleo embraced AAUW's mission to advance equity for women and girls. She was a strong advocate of fostering education, mentoring women for success, developing females as leaders, and addressing challenges blocking the advancement of women such as limited resources, lack of education, and discrimination. She valued public service and an active and informed citizenry. It is Cleo's ideals we would like to see reflected, in whole or part, in project ideas submitted.

We have allocated funds for grants to be awarded to community-based projects supporting education, equity, and opportunity for our local girls and women.

Projects will be evaluated based upon consideration of Cleo's ideals and the prompts included in the attached Grant Application. Please copy and paste the application prompts onto a document of your own, and include your responses there. Use 12 or 14 font, single space, and limit each answer to no more than 300 words.

If you or your organization would like to be considered for funding to support a project, please provide information according to the "AAUW Grant Application for Cleo Gibson Educational Projects" (next page) and attach your document to an email to Ann Shulse, ajshulse@gmail.com, or mail the hardcopy document to the above address no later than **April 1, 2021**. Contact Ann with any questions.

We will notify successful grant recipients by email by **May 1, 2021**. Funding will become available beginning **June 1, 2021**.

We look forward to receiving your project proposal.
