

Nevada County (CA) Branch

2024-2025 Membership Application

The Nevada County Branch of AAUW is a friendly, active and purposeful group. We are committed to supporting a system of public education and employment that promotes gender equity. A general program or an event is held each month, September through May, usually on the third Saturday of the month. We have speakers on topics of interest and hold fundraisers for national and local scholarships. In addition, we send local girls to the Tech Trek Science Camp held at University of California, Davis, in the summer
